

# Types of Plastics

<p>Observe the different types of plastics to identify specific characteristics and properties of each plastic. We will use these characteristics and properties as criteria for our biopolymers.</p>	<p>3 Detailed observations about the Properties &amp; Characteristics:</p> <ol style="list-style-type: none"><li>1.</li><li>2.</li><li>3.</li></ol> <p>Common Uses:</p> <p>Comparisons to other Plastics:</p>
